SIR:

**TERMINAL DISCLAIMER**

Trimble Navigation Limited ("TNL") the assignee of record of the entire right, title and interest in and to the subject application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on U.S. Patent No. 6,611,755, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent be the same as the legal title to the above referenced patent, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, TNL does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as

defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of the above-referenced patent in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, if found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.1321, has all claims cancelled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer filed prior to the grant of the patent.

The undersigned has reviewed all the documents in the chain of title of the present patent application and U.S. Patent No. 6,611,755 and, to the best of the undersigned's knowledge and belief, title to both are in the name of TNL.

The undersigned (whose title is supplied below) is empowered to execute this Terminal Disclaimer on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
